WELCOME TO DECUS INSURANCE BROKERS

Decus Insurance Brokers (est. 2008) are an approved Lloyd's Coverholder and Broker.

At Decus we can provide open brokerage markets for most Professional classes. Our in-house facilities enable us to service all-sized businesses, from start-ups to conglomerates, efficiently and expeditiously.

Our open-market brokers specialise in the placement of larger, more complex, risks. We also specialise in providing assistance and experience to existing and start-up Coverholders and/or Managing General Agencies.

PROFESSIONAL, EXECUTIVE & CYBER RISK TEAM

Our Professional, Executive & Cyber Risk team has experience from layering and placing large multistate programs to smaller more niche accounts. The dedicated team utilise direct relationships with key markets in London, Lloyd's and Bermuda to design tailored insurance solutions for businesses of all sizes.

We stand out for our ability to offer creative solutions through bespoke or off-the-shelf products with our proven track record in finding coverage for tough-to-place risks.

We also have a wide range of specific facilities in place which assist us in the efficiency of placing transactional business, via our proprietary full-service platform Decus Direct.
